INSTRUCTIONS

- ① Copy the "Fonts" files and CSS files to your website CSS folder.
- ② Add the CSS link to your website source code on header.

```
<head>
...
<link rel="stylesheet" type="text/css" href="your_website_domain/css
_root/otf-icons-set.css">
...
</head>
```

- ③ Use the icon class on `display: inline` elements:

Use example: `<i class="df-defharo"></i>` or ``
